

Estate Planning: How a 529 Plan Can Help

Two ways to give the gift of education in 2022

1

Annual gifting: no gift tax up to annual exclusion

allows up to the annual gift tax exclusion of \$16,000 (\$32,000 for married couples) per beneficiary without incurring gift taxes.

1 YEAR ANNUAL TAX EXCLUSION				
Date	Tax year	Type	Annual exclusion amount (individual)	Annual exclusion amount (married)
Today	2022	Current year	\$16,000	\$32,000

2

Accelerate your gifting

allows a one-time gift of up to \$80,000 per beneficiary (\$160,000 for married couples) — this not only boosts the potential investment earning power, it allows 5x the annual gift exclusion without federal gift tax consequences.

5 YEAR (AT ONCE) ANNUAL TAX EXCLUSION				
Date	Tax year	Type	Annual exclusion amount (individual)	Annual exclusion amount (married)
Today	2022	Current year	\$80,000	\$160,000

Contributions are generally considered completed gifts for federal transfer tax purposes and are, therefore, potentially subject to federal gift tax. Generally, if a contributor's contributions to Accounts for a Designated Beneficiary, together with all other gifts by the contributor to the Designated Beneficiary, do not exceed the "annual exclusion" amount of \$16,000 per year (or \$32,000 for a married couple), no federal gift tax will be imposed on the contributor for gifts to the Designated Beneficiary during that year.
